The Jewett City DPU would like to extend a friendly reminder to all of our customers to please pay what you can on your respective electric bills such that you don't end up with a substantial balance when this self-imposed moratorium on electrical shut offs comes to an end.

We also recommend that customers who are struggling at the present time might consider seeking financial assistance for help with their respective electrical bills. Contact information for that financial assistance is as follows:

TVCCA Norwich Office 860-889-1365

TVCCA Senior Center in Jewett City 860-376-2604

Jewish Federation 860-444-6333

Operation Fuel 860-889-8346 ext. 265

United Way 860-464-7281

Please also check local churches, unions, colleges, and military relief funding.

Lastly, we want to let you know that the Jewett City DPU will extend payment arrangements on past due balances, and if you think that will be needed, we would encourage you to please call us (860-376-2955) to begin setting that up.

By working together, we will get through this difficult time.

Sincerely,

JCDPU Management
